CONTENTS

1. TAX CREDITS

Saving money on unknown tax credits is a great way to get ahead in 2021!

Did you know there are many corporate tax credits and benefits available to many businesses? **Comfort Profit** specializes in finding lesser-known tax advantages and helping our clients recover significant tax refunds or credits. Some of the more common tax areas we look at are:

- hiring credits
- employee retention credits
- capital expenditure credits
- research and development credits

2.ANTI-TRUST

Get refunds from vendors who may have overbilled you in the past!

Anti-trust lawsuits are great ways to obtain refunds and extra money for your business if you were overbilled by the Defendant. **Comfort Profit** specializes in helping you get the refunds you deserve. Some of the more recent anti-trust areas where we are active are:

- Blue Cross Blue Shields healthcare
- Visa and MasterCard overbilling

Contact us if you accept Visa or MasterCard, or have purchased BCBS healthcare.

3.UTILITIES

Save money on your most common and regular expense - utility bills!

Did you know utility companies overbill up to 85% of their commercial customers? **Comfort Profit** specializes in conducting extensive utility bill audits to identify errors and obtain refunds for our clients. Some of the areas we audit include:

- Electric and natural gas bills
- Waste bills
- Telecom bills
- Wireless bills
- Internet bills

4.COVID TESTS

**Testing for COVID-19 at your business or venue?
Try to source less expensive COVID tests!**

COVID-19 testing is getting costly for businesses, schools, venues, and other organizations. **Comfort Profit** is a wholesale distributor of new COVID testing technology using smell as an indicator. Here are some of the benefits of these new tests:

- Up to 90% cheaper than other tests
- Results in less than 20 seconds
- Testing during highest period of infection
- Just as accurate as other at-home tests
